

angelfysh hosting - what things cost

Here's an overview of what things cost from angelfysh hosting. **Please print me** for board meetings, staff meetings, other business get-togethers and picnics. **Mmm... picnics.**

Welcome to angelfysh hosting. We're an award winning business offering the UK's best Website Support Services. No really! And we are based up in wonderful Tyne and Wear.

Lots of our competitors have pretendy teeny prices. Then they add bits here and there until you don't know what you're paying. We can't be doing with all that jiggery pokery so we've got 3 packages plus add-ons that you either take or leave. It's up to you. **Much better!**

All packages include free, friendly unlimited inbound 'phone support (no horrid jargon).

Package 1: £290 per year (£24.17 a month)

1 x Hosting: £240 per year

This is for hosting websites without e-commerce, dynamic or database elements. *Includes launch of your website, at-launch testing of all elements of the website (links, performance etc.) plus backups (3 times a week).*

When you contact us on 0191 276 4777 we'll let you know if you are eligible. We'd need to see your website of course (or we can help you to get a fab new one) and we can't twiddle with this offer I'm afraid. For example, if you don't want a domain name the price is still the same.

Reseller Discounts

We can offer reseller discounts of between 5% and 20% depending on how much of our lovely things you sell on. Please give Lisa a call on 0191 276 4777 if you'd like to chat more about this.

All these prices are correct at October 2008 and VAT will be added. All prices are subject to change so please do check with Lisa on 0191 276 4777 or at www.angelfyshhosting.com.

Thank you.
